ARBAEEN

GLOBAL NETWORKING

Our Purpose

Global Platform

Provide a platform where individuals and organizations can connect with each other to work in collaboration.

Arbaeen Networking

Organize networking event in the Haram of Imam Hussain (a) on 21st Safar for individuals and organizations across the global to network with each other.

Global Networking

Organize local events, webinars and connect individuals at city and country level throughout the year.

Why Arbaeen

Arbaeen is not just a religious observance; it is a symbol of unity, compassion, and humanity. It is a time when people from different cultures, backgrounds, and nationalities come together in Karbala to honour the memory of Imam Hussain(a) and his companions.

Collaboration for International Projects

We aim to bring Shia organisations, leaders, professionals and communities united under the umbrella of Imam Hussain(a). We can sit together, share ideas and implement bigger projects together. Let's gather not only on the day of Arbaeen but stay connected and united throughout the year.
